Rep. Shuler Signs Discharge Petition on SAVE Act *Petition Will Bring Bill to House Floor if Majority of Members Sign*

Washington, D.C. – Representative Heath Shuler today signed a discharge petition on the Secure America through Verification and Enforcement Act, H.R. 4088, which he authored and introduced in November.

“I believe in the SAVE Act. It is commonsense, bipartisan legislation that secures our borders and will stop illegal immigration. I would have preferred that the SAVE Act came to the floor through regular order, but it deserves to be debated and voted upon on the House floor,” Rep. Shuler said.

If the discharge petition receives 218 signatures the SAVE Act would move directly to the floor.
